BOSTON MUTUAL LIFE INSURANCE COMPANY PARTNERS WITH ONYX DATA SOLUTIONS

Alliance Offers New Technology Opportunities for the Established Insurance Company

Canton, Mass. – (January 12, 2016) – Boston Mutual Life Insurance Company, a national provider of [insurance solutions for individuals and at the workplace](#), today announced that it has partnered with Onyx Data Solutions, [a technology solutions company](#), to develop and implement a comprehensive IT strategy for Boston Mutual Life to modernize its technology capabilities to meet the needs of the insurance market.

“I’m looking forward to working with Boston Mutual to modernize its technology platforms,” said Dan Blaney, CEO at Onyx Data Solutions. “Both companies have extensive experience in our respective industries, and this alliance provides an opportunity to leverage each organization’s expertise to deliver an exceptional insurance technology platform.”

As part of the collaboration, Mr. Blaney will serve as Boston Mutual Life’s Chief Information Officer, overseeing all IT operations and initiatives. Mr. Blaney brings more than 20 years’ experience working with insurance carriers and national brands, such as FedEx and Verizon, to create and execute strategic IT initiatives.

“Boston Mutual Life has been in the insurance industry for almost 125 years, over the course of which we’ve seen substantial market evolution—especially changes in technology,” said Paul A. Quaranto, Jr., President and Chief Executive Officer at Boston Mutual Life Insurance Company. “By partnering with an experienced resource like Onyx Data Solutions, we’re investing in a model that will allow us to be flexible with market changes and continue the ongoing process to best support our policyholders, producers, and employees.”
