

Customer Service Frequently Asked Questions (FAQs)

Payment / Billing

Q: How do I make a payment on my Boston Mutual policy?

A: There are multiple options for making a premium payment. You can pay your premium with an electronic funds transfer set up directly from your financial institution, or you can pay by mail:

- To set up an Electronic Funds Transfer (EFT):
 - Please complete the EFT Authorization Form found in the [forms section](#) on our website, <http://www.bostonmutual.com>, under the Policy Change Forms drop down.
 - You will need to include verification for your bank account as well as to call our Client Services Department at (877) 624-2249, option 2, to find out if you will need to send a payment with your request before you send in your form.
 - Send the completed form along with the required supporting documents to the mailing address or fax number on the form.

- To mail your check or money order, please send it to:
 - Boston Mutual Life Insurance Company
PO BOX 55551
Boston MA 02205-5551
 - Make sure to include policy number on your payment when sending by mail.

Q: I received a letter indicating I have a missed deduction. I am on payroll deductions through my employer. What does that mean?

A: Sometimes your payroll deductions may fall behind if your employment situation changes (such as leaving a job). A missed deduction letter is sent to make you aware of the missed payments and provide the opportunity for you to pay your policy to prevent a future lapse. You can mail a check or money order for that missed deduction payment to:

Boston Mutual Life Insurance Company
PO BOX 55551
Boston MA 02205-5551

Q: I recently left my employer. How can I pay for my policy going forward?

Q: I received a notice in the mail indicating an “Automatic Premium Loan” was taken. What does that mean?

A: The Automatic Premium Loan provision in your policy is the non-forfeiture option on the application that was selected when it was filled out. This option pays any premium that is 45 days overdue by taking premium loans secured by the cash value of the policy. It prevents the policy from lapsing due to a late or lost payment.

Loan interest is charged on the policy anniversary and appears on your annual statement. If this interest is not paid, the interest amount is added to the loan balance.

An Automatic Premium Loan is never taken unless the premium is overdue. If a payment was received just after an Automatic Premium Loan was taken, it would be applied to the next premium.

You may repay the loan by making payments on any schedule and in any amounts you choose. Simply send a check to the address below, or add the amount to your next premium payment. Make sure your check is marked with your policy number and a note is enclosed asking that the payment be applied to the loan balance.
