Making An Impact Program

FAMILY MATTERS. NO MATTER WHAT.®

Making a Difference in Our Community!

The mission of the Boston Mutual Making An Impact program is to support the giving of our talents and resources to those that foster our core belief in community & family, education, and the environment.

OUR FOCUS AREAS

Community & Family

Organizations that serve individuals, families, and neighbors.

Education

Activities that promote educational programs and scholarships.

Environment

Organizations that make a positive impact on the environment.

Peace of Mind for Our Communities

At Boston Mutual Life Insurance Company, we are committed to delivering on our promises and providing financial peace of mind for all those we serve. As a mutual company, that dedication to acting in the best interests of our stakeholders extends from our producers, policyholders, and employees to the communities around us.

We're passionate about finding ways big and small to pay it forward, and through our corporate citizenship program, we engage with non-profit organizations and causes where we live and work to support those in need. This is how we live the goodness of mutuality in all we do – by going the extra mile not just in our work, but also in how we live our brand.

"With this program, we can highlight the great work our employees and producers are doing in our communities and pave the way for future opportunities to continue giving back."

PAUL A. QUARANTO, JR.
 Chairman, CEO, and President

Employee Volunteerism

In our Making An Impact program, Boston Mutual employees volunteer their time and skills to a wide range of worthy causes.

As part of the program, employees are eligible to use one workday each year to volunteer at an organization of their choosing.

Employees can also get involved with a variety of organizations through volunteer events, fundraisers, and other initiatives coordinated by Boston Mutual.

Public Affairs

Giving back to the community means getting involved in activities beyond traditional philanthropic efforts, including:

- Educational opportunities

 Partnering with local schools on unique ways to give back
- Community leadership opportunities

Participation on local town boards and business planning committees

Transformative community donations

Contributing technology solutions to local schools and other community organizations

Public Affairs

We tap into relationships with our key partners to identify new ways to give back to communities across the country.

In most cases, we will match an employee's donation to contribute additional support to the cause.

If you have a charitable giving opportunity you'd like to share for consideration, please contact

> MakingAnImpact@BostonMutual.com for directions on next steps.

Charitable Giving

Environmental Sustainability

Environnental Sustainability Taking care of the community includes the environment too - and when establishing sustainable efforts to protect the environment for future generations, every little bit counts.

> At Boston Mutual, we continue to find ways to save resources every day, including:

- · Commuter benefits with the Neponset Valley Transportation Mgnt. Assoc.
- · Timed lights throughout the building
- Identifying sustainability opportunities during building renovations
- Promoting and offering ride sharing to company-sponsored events (company outings, charitable events, etc.)
- Eliminating paper waste and moving to digital options

Our key partners embody many of the traits we embrace for our Making An Impact program. Through our deep relationships and histories with these groups, we are proud to make a difference with these worthy causes.

Educate Kids Empower Families End Homelessness
